2. Terms and Conditions.

(a) Acceptance. By ordering, activating, using, or paying for the Service or Equipment, Customer agrees to be bound by this Agreement.

(b) Use. Customer is responsible for all use of the Service and Customer Equipment, and Equipment associated with the Account. Customer accepts full responsibility and liability for such use. Customer and all Users shall not utilize the Service or Equipment for any unlawful purpose. Customer shall not use Service for transmitting or receiving any communication or material of any kind when the transmission, receipt or possession of such communication or material (i) would constitute a criminal offense, give rise to a civil liability, or otherwise violate any applicable local, state, national, or international law, or (ii) encourages conduct that would constitute a criminal offense, give rise to a civil liability, or otherwise violate any applicable local, state, national, or international law. Lightcore, in its sole discretion, may terminate Service immediately and without advance notice if Customer violates any of the above restrictions, leaving Customer responsible for any and all charges as set forth in Section 3(b).

(c) Fraudulent or Unauthorized Use of Services. Customer is responsible for ensuring that all Customer premises equipment (CPE) (e.g., Private Branch Exchange (PBX), Key System or any other equipment connected to the Service), regardless of whether such equipment is provided by Customer or Lightcore, is protected from fraudulent or unauthorized access and use. Customer is responsible for all charges attributable to Customer with respect to the Services, even if incurred as the result of fraudulent or unauthorized use of the Services. Customer agrees to notify Lightcore promptly if it becomes

aware of any fraudulent or unauthorized use of any Service. Lightcore may, but is not obligated to, detect or report unauthorized or fraudulent use of Services to Customer. Lightcore reserves the right to restrict, suspend or discontinue providing any Service in the event of any suspected or actual fraudulent or unauthorized use by Customer. Lightcore shall not be liable for any damages whatsoever resulting from fraudulent or unauthorized use of any Service.

(d) Availability. The Service and Equipment are offered subject to the availability of the necessary facilities, power, services, and equipment, and subject to the provisions of this Agreement. Lightcore shall not be responsible or liable for any delay(s) in installing or providing any Service or Equipment ordered by Customer.

(e) Compatibility. The Service and Equipment may not be compatible with Customer Equipment, and Lightcore is not required to maintain or repair Customer Equipment or modify the Service to make it compatible with Customer Equipment.

(f) Limitations of Service and Equipment. Customer or any User may not be able to utilize the Service or Equipment, if: (i) the Customer Equipment fails; (ii) the power required to operate Customer's or any User's computer, router, modem, or any other equipment, if applicable, fails; (iii) Customer's or any User's computer experiences hardware or software problems and/or viruses; (iv) in situations where Lightcore is not the internet service provider, Customer's or any User's internet service provider fails to provide adequate services for any reason; (v) Customer's or any User's hardware or software is improperly installed; or (vi) Customer or any User is blocked or otherwise unable to access the Lightcore network. By using the Service and Equipment, Customer and its Users acknowledge that the Service and/or Equipment may be limited in certain circumstances and may not be available 100% of the time. Lightcore will not be liable for errors in transmission or for failure to establish connections. In addition, Customer acknowledges and agrees that the Service and/or Equipment may not be compatible with certain fax machines or firewalls.

(g) Customer Responsibilities. By using the Service and/or any Equipment, Customer, on behalf of itself and all Users, agrees to abide by all rules and regulations, including the exportation of data from the U.S. or other applicable jurisdictions. With respect to Customer's use of the Service and/or any Equipment as well as any Customer Equipment, Customer shall be responsible for any claim or damages arising from or related to: libel; slander; invasion of privacy; infringement or unauthorized use of any copyright, trademark, trade name, service mark, or any other intellectual property right; interference with or misappropriation or violation of any proprietary or creative right; any injury to any person, property, or entity arising out of the material, data, information, or other content used, received, or transmitted by Customer or any User; and any act, error, or omission by Customer or any User. Unless caused by the gross negligence or willful misconduct of Lightcore, Customer shall also be responsible and liable for any personal injury, property damage, or death of any person caused, directly or indirectly, by Customer, any User, or any Customer employee, agent, or contractor, arising from or related to the installation, maintenance, location, condition, operation, failure, presence, use, or removal of the Service, Equipment, or any Customer Equipment.

(h) Additional Responsibilities. Customer is also responsible for all internal wiring, Customer Equipment, installation of hardware and software on Customer Equipment, and arrangement of access rights for Lightcore including space for cables, conduits, and equipment as necessary for Lightcore-authorized personnel to install, repair, inspect, maintain, replace, or remove any and all facilities and equipment provided by Lightcore. Upon request by Lightcore, Customer will work directly and in good faith with its building owner or property management firm and Lightcore to secure a written building access agreement. Customer shall provide a secured space with electrical power, climate control and protection against fire, vandalism, and other casualties for equipment. Customer is responsible for ensuring that Customer Equipment is compatible with the Service and the Lightcore network.

(i) Service Issues. Lightcore shall not be responsible for any service interruption, degradation, delay, transmission error, operational failure, and/or unavailability (individually and collectively referred to as "Service Problem") at any location where Lightcore is not the internet service provider for Customer. This includes any situation where, instead of routing data traffic on Lightcore's network, Customer uses a service or circuit (e.g., T-1, DSL, cable, Ethernet) to route traffic over the public internet or a third-party network. Although Lightcore agrees to take commercially reasonable efforts

to work with Customer to try to identify, address, and resolve any Service Problem at an off-net service location (i.e., not on the Lightcore network), Lightcore is unable to control the reliability or quality of traffic routed from an off-net service location. Lightcore is not responsible for any Service Problem experienced by Customer at any location where Customer orders or uses an off-net service. Customer shall not be entitled to any service credits or any other remedy, including, without limitation, a termination right under Section 3(d), for any Service Problem at any off-net service location.

(j) Information and Installation Responsibilities. Lightcore will notify Customer of the In-Service Date, i.e., the date when the Service has been successfully installed and is available for Customer's use. Customer shall have three (3) business days to accept or advise Lightcore in writing of any service level concern regarding the Service ("Acceptance Period"). If Lightcore makes the Service available to the Customer, but Customer, for whatever reason, is not ready to accept and use the Service, billing for the installed Service shall nonetheless commence on the In-Service Date. This applies to circumstances including, but not limited to, if Customer does not have its Equipment installed to begin using the Service. Failure by Customer to accept the Service or notify Lightcore in writing of any service level concern within the Acceptance Period shall be deemed as an automatic acceptance of Service. Any use of a Service, other than for verification and acceptance testing, shall constitute immediate acceptance of the Service. The payment obligation as of the In-Service Date shall not apply if Customer provides written notice to Lightcore of any service level concern regarding the Service during the Acceptance Period. In such situation, Customer's payment obligation shall commence on the date when the Service operates in accordance with the applicable technical specifications or would have been installed except to the extent any delay is caused by Customer's (i) failure to provide any requested information and/or documentation to Lightcore in a timely manner; and/or (ii) Customer cancels the installation or requests that the installation date for any service or circuit be moved to a later date.

(k) Required Maintenance. Lightcore reserves the right to perform maintenance on or upgrade its network, its infrastructure, the Service, and/or Equipment, without prior notice or liability, even if such actions cause a partial or full disruption of the Service; however, subject to Lightcore's business needs, Lightcore will use commercially reasonable efforts to perform maintenance on and upgrades to its network, infrastructure, Service, and Equipment in a manner so as to avoid unduly interfering with Customer's use of the Service. Lightcore may, in its sole discretion, add, change, or delete features or functionality of the Service and/or Equipment.

(l) Equipment. Unless otherwise agreed to in writing between Customer and Lightcore or purchased and fully paid for by Customer from Lightcore as set forth in a Service Order signed by both parties or other written agreement between Lightcore and Customer, all Equipment provided to Customer by Lightcore or an Lightcore-designated vendor and used for the provision or support of any voice and/or data service shall at all times remain the property of Lightcore. Upon discontinuance or termination of Service or this Agreement for any reason, all Equipment shall be returned by Customer to Lightcore within ten (10) business days of the final day of Service or Customer shall promptly pay to Lightcore the full replacement cost of any such Equipment based on the current market price to purchase new replacement Equipment.

Customer is responsible for the risk of loss or for any destruction of or damage to the Equipment. No such loss or damage relieves Customer from the payment obligations under this Agreement. Customer agrees to promptly notify Lightcore in writing of any loss or damage and Customer will then pay to Lightcore the present value of the Equipment

3. Term and Termination.

(a) Unless terminated pursuant to the terms of this Agreement, this Agreement shall remain in effect for as long as Lightcore is providing any Service or Equipment to Customer or until the expiration of all Service Orders. Unless otherwise terminated pursuant to this Agreement, the Service is offered for an initial term of service (the "Initial Term") specified in the Service Order, which term shall be a minimum of twelve (12) months unless otherwise agreed to in writing by Lightcore and could be longer depending on the length of term selected by Customer in the Service Order. The Initial Term shall begin on the In-Service Date and continue until the expiration of the Initial Term. Following the expiration of the Initial Term, each Service Order shall automatically renew for successive one (1) month terms (each, a "Renewal Term") unless and until either party notifies the other party in writing at least sixty (60) days prior to the end of the Initial Term or any Renewal Term then in effect that it does not wish to renew the Service Order. At the start of the initial Renewal Term, there will be a twenty percent (20%) increase on all Services. Any such written notice of non-renewal or termination provided by Customer must be sent to Lightcore via an email message sent to: orders@lightcoretech.net. Any notice of non-renewal or termination by Customer will not be deemed accepted or valid until Customer receives a confirming email message from Lightcore containing a termination case number. If, during the Initial Term or any Renewal Term, Customer adds any additional services or circuits to its use of the Service, the

amount of Customer's monthly recurring charges shall increase in accordance with Lightcore's prevailing rates in effect at the time. The term for any such additional services must be mutually agreed upon by Lightcore and Customer in a Customer Service Order Agreement Addendum to be executed by both parties. To the extent that the term for any such additional services extends beyond the Initial Term or any Renewal Term, the provisions of this Agreement shall remain in full force and effect with respect to such additional services until the expiration of the term for such additional services.

(b) Early Termination. (i) If this Agreement and/or any Service Order is terminated by Customer prior to the expiration of the Initial Term or any Renewal Term then in effect and such termination is not due to Lightcore's uncured breach as set forth in Section 3(c) or if Lightcore terminates this Agreement and/or any Service Order pursuant to Section 2(b) or due to Customer's uncured breach pursuant to Section 3(c), Customer shall pay to Lightcore an early termination charge, which Customer agrees is reasonable, equal to all non-recurring and monthly recurring charges for Service and Equipment set forth in each Service Order which would otherwise be due through the end of the Initial Term or Renewal Term in effect at the time, including all applicable taxes and fees plus an accelerated lump sum payment equal to the total amount which would be due for all construction related costs and all remaining payments which would be payable by Customer for any and all Equipment being purchased by Customer in monthly installments. For avoidance of doubt, Customer agrees and acknowledges that the foregoing early termination charges shall apply even if Customer terminates the Agreement and/or any Service Order prior to commencement of the Initial Term and/or prior to the In-Service Date. The parties agree that the precise damage resulting from an early termination by Customer or termination by Lightcore due to Customer's breach is difficult to ascertain and the early termination charge set forth in this Section 3(b) is a reasonable estimate of anticipated actual damages and not a penalty. The early termination charge shall be due and payable within ten (10) business days of the effective date of termination.

(c) Termination for Breach. Either party may terminate this Agreement (and/or any Service Order) if the other party is in material breach of this Agreement and such breach is not cured within thirty (30) days after the breaching party's receipt of written notice thereof. Except for any unpaid amount owed by Customer to Lightcore, each party must exercise its right of termination for the other party's uncured breach within thirty (30) days of discovering the other party's breach of this Agreement or any applicable Service Order or such specific breach shall be deemed to have been waived. Notwithstanding any other provision of this Agreement, Lightcore has the right to suspend Service, and terminate this Agreement for Customer's material breach, immediately upon written notice if any amount owed by Customer is delinquent for more than twenty (20) days from the invoice date.

(d) Effect of Termination. Lightcore shall have no liability from any termination of this Agreement provided that it is conducted in accordance with the terms of this Agreement. Sections 1 through 5 and Sections 8 through 23 shall survive any termination or expiration of this Agreement.

4. Limitation of Liability.

(a) Lightcore's liability for damages arising out of any mistake, interruption, omission, delay, error, or defect which occurs in the course of installing, providing, maintaining, or modifying any Service and/or Equipment or for any other reason, shall in no event exceed an amount equivalent to the proportionate charge to Customer for the time period during which the mistake, interruption, omission, delay, error, defect, and/or fault(s) occurred. In the event that Customer experiences a loss of any service due to Lightcore's fault, negligence, act, error, or omission, Lightcore will provide Customer with a credit on a pro-rata basis for the period of time that the Service was unavailable to Customer. In order to receive a credit, Customer must provide Lightcore written notice within ten (10) business days of the service interruption and the credit will be applied to a future Customer invoice.

(b) NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT OR ANY SERVICE ORDER AND TO THE FULLEST EXTENT PERMITTED BY LAW, IN NO EVENT WILL LIGHTCORE, ITS DIRECTORS, OFFICERS, EMPLOYEES, AFFILIATES, AGENTS, SUPPLIERS, VENDORS, AND CONTRACTORS, BE LIABLE TO CUSTOMER, ANY USER, OR ANY THIRD PARTY FOR ANY CLAIM, LOSS, EXPENSE, OR DAMAGE DUE OR RELATED TO LOSS OF ANY REVENUE, PROFIT, SAVINGS, BUSINESS AND/OR GOODWILL, LOSS OR CORRUPTION OF ANY DATA AND/OR COST OF DATA RECONSTRUCTION, PROCUREMENT OF SUBSTITUTE OR REPLACEMENT GOODS, SERVICES, INVENTORY, OR EQUIPMENT, BUSINESS INTERRUPTION, INABILITY TO USE ANY SERVICE AND/OR EQUIPMENT, OR DELAY IN PERFORMANCE, NOR WILL LIGHTCORE, ITS DIRECTORS, OFFICERS, EMPLOYEES, AFFILIATES, AGENTS, SUPPLIERS, VENDORS, AND CONTRACTORS, BE LIABLE TO CUSTOMER, ANY USER, OR ANY THIRD PARTY FOR ANY INDIRECT, EXEMPLARY, PROXIMATE, SPECIAL,

PUNITIVE, CONSEQUENTIAL, COVER, RELIANCE, OR INCIDENTAL DAMAGES. THE FOREGOING LIMITATION OF LIABILITY SHALL APPLY, WITHOUT LIMITATION, TO ANY CLAIM, LOSS, EXPENSE, OR DAMAGE, RELATING TO OR ARISING FROM: (I) ANY MALFUNCTION AND/OR FAILURE OF ANY SERVICE, EQUIPMENT, NETWORK, OR FACILITY DIRECTLY OR INDIRECTLY PROVIDED BY LIGHTCORE OR ANY OTHER SERVICE PROVIDER; (II) THE FAILURE OR INABILITY OF CUSTOMER, ANY USER, OR ANY OTHER PERSON OR PARTY TO BE ABLE TO DIAL 911 OR ACCESS AND/OR SPEAK TO ANY 911 EMERGENCY PERSONNEL OR RESPONDER THROUGH SERVICES OR EQUIPMENT PROVIDED BY LIGHTCORE OR ANY OTHER SERVICE PROVIDER; AND (III) LIGHTCORE'S SUSPENSION OR TERMINATION OF SERVICES IN ACCORDANCE WITH THIS AGREEMENT. THE LIMITATIONS SET FORTH IN THIS SECTION 4 APPLY TO ALL CLAIMS, DAMAGES, AND ALLEGATIONS WHETHER BASED ON BREACH OF CONTRACT, BREACH OF WARRANTY, PRODUCTS LIABILITY, STRICT LIABILITY, TORT, AND/OR ANY AND ALL OTHER THEORIES OF LIABILITY.

(c) Except for Lightcore's gross negligence or willful misconduct and to the fullest extent permitted by law, in no event shall Lightcore's total aggregate liability to Customer, any User, and any person or third party whose claim or claims are based on or derived from a right or rights claimed by Customer and/or any User, for any and all claims arising from or relating to any Service Order, this Agreement, or any other claim or cause of action, whether arising under contract, tort, strict liability, any theory of liability, or otherwise, exceed in the aggregate the amount of charges paid by Customer to Lightcore during the three (3) month period immediately preceding the date of the occurrence of the event or occurrence giving rise to the claim for damages and/or cause of action. Lightcore shall have no liability whatsoever for any damage to, or loss of, any equipment or other property under the care, custody, or control of Customer, its employee, agent, or contractor, or any User unless caused by Lightcore's gross negligence or willful misconduct, in which case Lightcore's maximum liability is set forth above in this Section 4(c).

(d) Because some states and jurisdictions do not allow limitation of liability in certain instances, portions of the limitations set forth in this Section 4 may not apply to Customer if prohibited by applicable law.

(e) No action against either party arising out of this Agreement including any Service Order may be brought by the other party more than one (1) year after the cause of action has first arisen.

(f) Customer acknowledges and agrees that the essential purpose of this Section 4 is to limit Lightcore's potential liability considering the agreed-upon pricing for the Services and/or Equipment and Lightcore has relied on these limitations when offering to provide the Services and/or Equipment to Customer.

5. No Warranty. EXCEPT FOR THIRD PARTY MANUFACTURERS' WARRANTIES WHICH MAY BE APPLICABLE TO THE EQUIPMENT AND TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, LIGHTCORE MAKES NO WARRANTIES AND DISCLAIMS ALL WARRANTIES IN RELATION TO THE SERVICES AND EQUIPMENT, WHETHER EXPRESSED OR IMPLIED, INCLUDING, WITHOUT LIMITATION, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT. WITHOUT LIMITING THE FOREGOING, LIGHTCORE IS NOT LIABLE OR RESPONSIBLE FOR ENSURING THAT THE SERVICES AND/OR EQUIPMENT WILL MEET CUSTOMER'S REQUIREMENTS, SPECIFICATIONS, OR EXPECTATIONS OR WILL BE UNINTERRUPTED, SECURE, ERROR-FREE, OR AVAILABLE 100% OF THE TIME, OR THAT ALL ATTEMPTED COMMUNICATIONS WILL BE DELIVERED. LIGHTCORE DOES NOT WARRANT THAT ANY SERVICE AND/OR EQUIPMENT WILL BE AVAILABLE ON A SPECIFIED DATE OR TIME OR THAT THE LIGHTCORE NETWORK WILL HAVE THE CAPACITY TO MEET THE DEMAND OF CUSTOMER AND/OR ANY USERS DURING SPECIFIC HOURS. LIGHTCORE PROVIDES THE SERVICES AND EQUIPMENT ON AN "AS IS" AND "AS AVAILABLE" BASIS WITHOUT WARRANTY OR REPRESENTATION OF ANY KIND. CUSTOMER ACKNOWLEDGES THAT LIGHTCORE DOES NOT CONTROL THE TRANSFER OF DATA OVER COMMUNICATIONS FACILITIES, AND THAT THE SERVICE AND EQUIPMENT MAY BE SUBJECT TO LIMITATIONS, DELAYS, AND OTHER PROBLEMS INHERENT IN THE USE OF SUCH COMMUNICATIONS FACILITIES. LIGHTCORE DOES NOT WARRANT AND IS NOT LIABLE OR RESPONSIBLE FOR ENSURING THAT ANY SERVICES CAN BE PROVISIONED AT CUSTOMER'S LOCATION, OR THAT PROVISIONING WILL OCCUR ACCORDING TO A SPECIFIED SCHEDULE, EVEN IF LIGHTCORE HAS ACCEPTED CUSTOMER'S ORDER FOR SERVICE. THE PROVISIONING OF SERVICE IS SUBJECT TO CIRCUIT AND SERVICE AVAILABILITY AND OTHER FACTORS. LIGHTCORE ALSO DOES NOT WARRANT AND IS NOT LIABLE OR RESPONSIBLE FOR ENSURING THAT THE SERVICE OR EQUIPMENT PROVIDED BY LIGHTCORE WILL PERFORM AT A PARTICULAR SPEED, BANDWIDTH, OR DATA THROUGHPUT RATE. CUSTOMER ASSUMES ALL RISK AND RESPONSIBILITY FOR USE OF THE SERVICES AND EQUIPMENT AND AGREES NOT TO USE THE SERVICE AND/OR EQUIPMENT IN ANY HIGH-RISK ACTIVITIES WHERE DAMAGE OR INJURY TO PERSON, PROPERTY, ENVIRONMENT, OR BUSINESS MAY RESULT IF AN ERROR OCCURS. NO ADVICE,

RECOMMENDATION, OR INFORMATION GIVEN BY LIGHTCORE OR ANY LIGHTCORE REPRESENTATIVE SHALL CREATE A WARRANTY.

6. Customer Infrastructure Responsibilities. Customer is responsible for all costs at its premises, including, without limitation, its personnel, wiring, computer equipment, internet access (in situations where Lightcore is not the internet service provider), electrical power, and the like, necessary for the use of the Service and any Equipment.

7. Network Usage.

(a) Use of Internet. Lightcore makes no representation that the internet or any third-party network used by Lightcore will adequately protect the privacy of Customer's or any User's personal information, and Lightcore expressly denies any liability associated therewith.

(b) Monitoring. Lightcore may monitor Customer's Account and Customer's User's use of the Service to respond to service or technical problems; to monitor compliance with this Agreement or any Service Order; if there has been an actual or suspected violation of this Agreement or any Service Order; to assess or determine that the Service and any Equipment are properly implemented and configured; at Customer's request; or to protect the integrity of the Lightcore network or Customer's use of the Service, in any emergency situation, or any other situation in which Lightcore, in its good faith judgment, deems appropriate under the circumstances. Customer acknowledges that the Service has been ordered, configured, and installed based on the specific information provided by Customer including, without limitation, the expected number of Users and Customer's anticipated capacity needs. Accordingly, and based on Lightcore's reliance on the information provided by Customer as well as the need to protect the integrity and reliability of the Lightcore network and mitigate against potential service issues, Customer shall not resell any portion of the Service without Lightcore's prior written consent, which consent may be withheld based on cost and/or network considerations.

8. Financial Terms.

(a) Prices and Charges. In addition to paying for all applicable non-recurring and professional services charges as set forth in any Service Order, Customer shall, throughout the Initial Term and any Renewal Term, pay the monthly recurring charges set forth in each Service Order.

(b) Taxes and Fees

(i) Taxes. Federal, state, local, county, municipal, and other government or regulatory agencies may assess taxes, including, without limitation, excise, franchise, sales, value-added, use, personal and real property taxes, surcharges and/or fees ("Taxes") on Customer's purchase and/or use of the Service and/or Equipment. These Taxes may change from time to time, with or without notice to Customer. Except for Taxes on Lightcore's net income, Customer is responsible for the payment of all applicable Taxes now in force or enacted in the future. Such amounts are in addition to the charges paid for the Service and Equipment. If Customer is exempt from any or all Taxes, it must provide Lightcore with an original certificate that satisfies applicable legal requirements attesting to its tax-exempt status. Tax exemption shall only apply from and after the date that Lightcore receives such valid certificate. The imposition of or increase in any Taxes shall not constitute a rate increase and shall not give Customer a right to terminate this Agreement or any Service Order.

(ii) Fees. In addition to any Taxes imposed by governments or regulatory agencies, Lightcore reserves the right at any time to charge or increase various fees ("Fees"), including, without limitation, activation fees, universal service fees, and regulatory recovery fees as well as recover costs associated with complying with government or regulatory programs. The imposition of or increase in any Fees shall not constitute a rate increase and shall not give Customer a right to terminate this Agreement or any Service Order.

(c) Billing and Payment

(i) Payment. All Lightcore invoices are due within thirty (30) days of the invoice date, and all payments must be made in U.S. currency. Customer shall pay monthly recurring charges for any partial month during the Initial Term or any Renewal Term on a pro rata basis. Customer is solely responsible for any and all charges incurred as the result of the use of the Services associated with Customer's Account, whether or not such charges were authorized or intended. Unless otherwise agreed to in writing by Lightcore, all monthly recurring charges for Service and Equipment will be billed and paid one calendar month in advance. All usage and related charges will be billed and paid in arrears as and when they are incurred and remain subject to the payment terms set forth in this Agreement. Lightcore has the right to bill, and Customer shall pay for all non-recurring and Equipment charges when the applicable Service and/or Equipment is installed by Lightcore. All professional services shall be paid by Customer once rendered by Lightcore. Lightcore may suspend, restrict, or cancel use of the Service and Equipment, if Customer does not make full payment of all billed charges by the due date. Any amounts not paid to Lightcore within thirty (30) days of the date of the applicable invoice shall accrue interest at the rate of one and one-half percent (1.5%) per month or the maximum amount allowed by law, whichever is less. Returned checks are subject to a twenty-

five-dollar (\$25) fee. Customer shall also reimburse Lightcore for all attorneys' fees and other costs incurred by Lightcore in connection with bringing any action to collect any delinquent payments or arising from any Customer breach of this Agreement.

(ii) Invoice Delivery. Unless otherwise agreed to in writing, all invoices shall be delivered electronically via the email address on file for Customer's Account. Customer is obligated to keep its Account information accurate and current. An incorrect or obsolete email address shall not release Customer from any of its payment obligations.

(iii) Methods of Payment. Lightcore reserves the right to accept payment by credit card, check, ACH transfer, and/or wire transfer. Customer shall pay for all fees associated with paying a Lightcore invoice by ACH or wire transfer including, without limitation, any wire transfer fees. Customer also acknowledges and agrees that each credit card payment is subject to a credit card processing fee. Lightcore reserves the right to discontinue acceptance of payment by credit card, check, ACH transfer, and/or wire transfer at any time.

(iv) E-Rate Customers. This Section is applicable only for educational institutions or libraries seeking reimbursement under the Federal Universal Service Fund. Customer shall apply annually to the Schools and Libraries Division (SLD) for E-Rate funding and shall designate Lightcore as its provider of Service. Customer shall also provide Lightcore with all documentation that is in response to all inquiries and requests as part of the Program Integrity Assurance (PIA) process within three (3) business days of receipt thereof. Customer also acknowledges that increases and decreases in funding for Service may occur from the SLD. If Customer is denied SLD funding for any reason, Lightcore may then elect to decrease the level of Service provided to Customer. If full E-Rate funding is not received within six (6) months of application date, or by the opening of the application window for the following funding year, then Lightcore may terminate the Service and/or this Agreement immediately upon written notice without any further obligation or liability by Lightcore. Additionally, if full E-Rate funding is not received and Lightcore elects to terminate the Service and/or this Agreement, Customer shall be subject to early termination charges in accordance with Section 3(b).

(v) Billing Errors. Lightcore's obligation with respect to any errors resulting in Customer overpayment for Service and/or Equipment is limited to granting invoice credits equal to the dollar amounts of the overpayment. Under no circumstances will any billing error affect Customer's obligation to pay for Services and/or Equipment provided by Lightcore.

(vi) Billing Disputes. If Customer believes that it has been charged in error, or if Customer believes that it is due a credit or refund, Customer must notify Lightcore in writing within thirty (30) business days of the invoice date. Any billing disputes must be in writing and include a detailed statement describing the nature and amount of the disputed charge(s) and the reason(s) why a credit or refund is being requested, and sent via email to the attention of care@lightcoretech.net.

Customer shall cooperate fully with Lightcore to promptly address and attempt to resolve the disputed charge(s). If Customer fails to provide written notice of dispute within the enumerated thirty (30) business day deadline, the charges and invoice will be considered correct and binding on Customer. Irrespective of the foregoing, Customer shall pay the undisputed portion of any disputed invoice in a timely manner and in accordance with the payment terms set forth in this Agreement.

(c) Service Suspension, Termination and Restoration. Lightcore may suspend or terminate Customer's Service, and may terminate this Agreement, if Customer fails to meet any of its payment obligations or if Customer or any User uses the Service in violation of this Agreement or in violation of any law. If Service is suspended for non-payment of charges, it will only be restored when all charges are paid in full and at Lightcore's discretion. However, Lightcore may, at its sole option, choose to restore or re-establish Customer's Service prior to the payment of all charges due. Such restoration or re-establishment shall not be construed as a waiver of Lightcore's right to receive full payment for all charges due or as a waiver of any rights to suspend or disconnect Service for non-payment of any such charges due and unpaid or for the violation of any provision of this Agreement; nor shall the failure to suspend or disconnect Service for non-payment of any past due amount operate as a waiver or estoppel to suspend or disconnect Service for non-payment of any invoice or of any other past due amount.

(d) Authorization to Verify Credit Rating. At Lightcore's request, Customer shall promptly provide Lightcore with the information necessary to verify Customer's credit rating prior to providing Customer with access to any Service and/or Equipment.

(e) Deposit. Lightcore in its sole discretion has the right to conduct a review of Customer's credit rating, credit history, and payment history at any time prior to the In-Service Date or at any time while Lightcore is providing any Service or Equipment to Customer. Upon Lightcore's request, Customer shall promptly provide Lightcore with financial statements or other indications of Customer's financial and business circumstances and cooperate in good faith so that Lightcore may review Customer's credit standing. Lightcore, in its sole discretion, may at any time, as a condition of providing new Service and/or Equipment or

continuing to provide any Service and/or Equipment, require Customer to tender a security deposit or other form of security acceptable to Lightcore. Lightcore may apply Customer's deposit to past due obligations as well as to any fees or other assessments to Customer's Account.

9. Indemnification. Customer shall, at its expense, indemnify, defend and hold harmless Lightcore, its officers, directors, employees, agents, suppliers, vendors, and contractors, from and against any and all Claims arising from or relating to: (i) any act, error, omission, fault, negligence, or misconduct of Customer or any User of the Service or Equipment; (ii) any breach by Customer of any term or condition of any Service Order or this Agreement; (iii) any claim by any employee or invitee of Customer or User other than a claim based on the gross negligence or willful misconduct of Lightcore; (iv) any claim by any customer of Customer, User, or any other third party relating to, or arising from, Customer's use of and/or making accessible or available the Service and/or Equipment; or (v) violation of any law or regulation by Customer, any User, or any Customer employee, contractor, or agent.

10. Confidentiality.

(a) Each party (a "Receiving Party") acknowledges that it and its employees, contractors, or agents may, in the course of providing or using the Service, Equipment, and/or otherwise satisfying its obligations hereunder, be exposed to and/or receive information which is proprietary or confidential to the other party (a "Disclosing Party"). Any and all such information in any form obtained by a Receiving Party or its employees, contractors, or agents in the provision or use of the Services, Equipment, or the satisfaction of such party's obligations under this Agreement, including but not limited to the financial terms of this Agreement or any Service Order, product and business information, financial information, trade secrets, know-how and information regarding processes, shall be deemed to be the confidential and proprietary information ("Confidential Information") of the Disclosing Party. 11. Governing Law and Dispute Resolution.

(a) This Agreement and the terms of any Service Order and any addendum thereto, shall be governed by and enforced according to the laws of the District of Columbia without giving effect to any conflicts of laws rules.

(b) In the event of any controversy or claim arising from or related to this Agreement, its performance or interpretation, the parties, in good faith, will initially attempt to resolve the dispute between them. Except for disputes, controversies, claims or collection efforts regarding Customer's failure to pay any charges, amounts or fees invoiced to Customer or arising from any payment dispute, any and all disputes, controversies and claims arising out of or relating to this Agreement or any Service Order, including its/their validity, shall be handled, determined, and resolved by arbitration conducted in the District of Columbia before one (1) arbitrator in accordance with the Commercial Arbitration Rules and Mediation Procedures then in effect of the American Arbitration Association. The arbitrator's award shall be final and binding on the parties, and judgment confirming such arbitration award may be entered thereon in any court having jurisdiction over such proceedings. Each party shall bear its own costs and expenses of preparing and presenting its case and shall bear an equal share of the arbitrator's expenses and fees. The arbitrator shall not be empowered to award damages in excess of direct compensatory damages in accordance with and subject to the terms and conditions of this Agreement and shall not be authorized to award special, indirect, punitive, incidental, cover, or consequential damages, and each party irrevocably waives any damages in excess of direct compensatory damages.

or federal courts in the District of Columbia. The parties hereby consent and submit to the exclusive jurisdiction of such courts. Each party hereto waives any objection based on forum non conveniens and waives any objection to venue of any action instituted here under to the extent that an action is brought in the courts identified above and is not otherwise subject to arbitration. The parties waive any right to jury trial in connection with any action or litigation in any way arising out of or related to Customer's failure to pay any charges or fees invoiced to Customer under this Agreement. Furthermore, and notwithstanding Section 11(b) above, Lightcore shall be entitled to prompt reimbursement from Customer for all attorney's fees and costs in the event it institutes any action to collect any amounts owed for Service and/or Equipment under this Agreement or any Service Order. If Lightcore is required to initiate such an action, it shall not be limited to arbitration.

20. Basis of Bargain; Failure of Essential Purpose. Customer acknowledges and agrees that Lightcore has established its prices and entered into one or more Service Orders in reliance upon the limitations and exclusions of liability and the warranty disclaimers set forth in this Agreement are an essential basis of the bargain between the parties and are material terms of this Agreement. The parties agree that the limitations and exclusions of liability and disclaimers specified in this Agreement will survive and apply even if found to have failed their essential purpose, and Customer hereby waives its right to contest the enforceability of any provision of this Agreement by reason of such failure.

21. No Third-Party Beneficiaries. This Agreement and all Service Orders do not extend to any third party and there are no third-party beneficiaries to this Agreement or any Service Order.

23. Force Majeure. Neither party to this Agreement shall be liable to the other for any failure or delay in performance by circumstances beyond its control, including, without limitation, acts of God, flood, fire, labor difficulties, cable cut, governmental action, or terrorism, provided that the party seeking to rely on such circumstances gives written notice of such circumstances to the other party hereto and uses reasonable efforts to overcome such circumstances.

24. Interpretation of Agreement. This Agreement and any Service Order will be construed and interpreted fairly, in accordance with the plain meaning of its terms, and there will be no presumption or inference against the party drafting this Agreement or any Service Order in construing or interpreting any of the provisions contained in this Agreement or any Service Order.
